

Playground Equipment Renewals 2023-24 **Choose Your Design**

To manage aging playground equipment, the City of Cockburn has an annual renewal schedule where we replace end of life equipment with a new, similar version.

Between July and September 2023, the City invited residents to choose their preferred designs for the playgrounds receiving a renewal in the 2023-24 program. Here is a summary of the feedback we received.

Spinnaker Park, Yangebup
