

Project Update May 2022

Resident Associations Budget Requests

- Cockburn resident groups are invited annually to submit up to three project ideas, with a combined value of up to \$30,000, for Council to consider in next year's Draft Capital Works Budget.
- Resident groups project suggestions for 2022-23 are listed below.
- The City has completed an initial assessment to determine which projects are suitable for Council to consider at the June Special Council Meeting. At this stage, projects considered 'suitable' are still yet to be approved. Council will make their final decision about the project at the June Special Council Meeting.
- Projects that are considered suitable for Council consideration are marked ★ below.

Key

To be considered

The suggested project has been assessed as suitable for consideration in the 2022-23 draft budget. A final decision will be made by Council in June.

Does not meet criteria

The City will contact Resident Associations when Council has made a decision on which projects have been approved.

Already funded or already earmarked for consideration

The suggested project was funded in the 2021-22 budget and will be carried over or is already earmarked for consideration in the 2022-23 draft budget. A final decision will be made by Council in June.
