Now it's your turn, grown-ups

Every year, the City of Cockburn hosts a range of community events that bring people together, from festivals and concerts to family fun days, and more.

Now we're taking a fresh look at the whole program.

We want to know what's working, what's missing, and what kinds of events you'd love to see more of in Cockburn. Bigger festivals? More local events? Something new altogether?

While the kids are busy colouring... **scan the QR code and have your say.**

Your ideas will help shape future events across the city.
