

Albion Park New Junior Playground

Community Insights Snapshot

Albion Park in Lake Coogee is to receive a new junior playground, to complement the existing playground and rope climbing frame located in the existing sandpit. The park currently features football goals, a half basketball pad, exercise equipment, BBQ, paths, and landscaping. The new junior playground was included in the 2025-26 capital works budget, which was endorsed by Council in June 2025. The City engaged with residents to vote on their preferred location in October and November 2025, and design of the new junior playground in March and April 2026.

Key Findings: Phase Two - Design

Residents were asked to rank their preferred playground design, from four options.

Incorporating both the online survey data and the written feedback, Playground Design Option D received the highest number of first preference votes, with 41 per cent of votes from 51 respondents.

Rank your preferences for the selection of playground design options

Key Findings: Phase One - Location

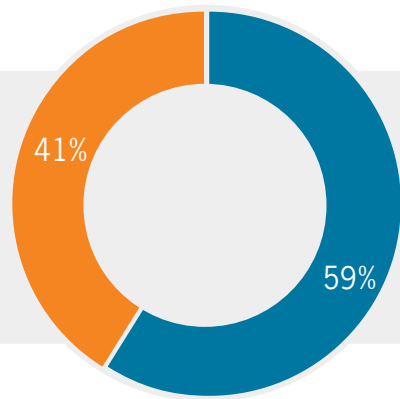

Residents were asked from the two proposed locations, which was their preferred location for a new junior playground at Albion Park, and why?

Which location is your preference?

■ Playground Location Option A

■ Playground Location Option B

TOP
5

Top five reasons for Location Option A

1. Close to the existing playground
2. Better visibility from existing playground and playing field to supervise multiple children in different areas
3. Further away from Coogee Road
4. Further away from basketball pad
5. Better parking off Syndicate Link.

TOP
5

Top five reasons for Location Option B

1. More unused space
2. Aesthetics
3. Not as close to football goals
4. Next to seating
5. Next to the BBQ.

Further information and next steps

The City of Cockburn would like to thank the community for their involvement in the community consultation process for the new junior playground at Albion Park in Lake Coogee. Community feedback will be taken into consideration, with next steps, as well as any outcomes or decisions about this project published on the Comment on Cockburn website when available. For further information, please contact the City of Cockburn at 08 9411 3444 or email comment@cockburn.wa.gov.au
