Tempest Park, Coolbellup

Community Feedback Summary

Comment on Cockburn

How can we improve this sporting reserve?

To meet the growing needs of our community, the City of Cockburn is currently planning the future of Tempest Park. The first step is to understand our community's needs and then develop a feasibility study. In early 2022 we invited the community to share their vision for the reserve. Here are the key findings.

> "Many connections to Aboriginal people living in and around Cooby stretching back decades"

> "Women's team not feeling safe as there's no lighting in the car parks for training nights"

> "The swings are for babies only. Older kids have nothing to play on"

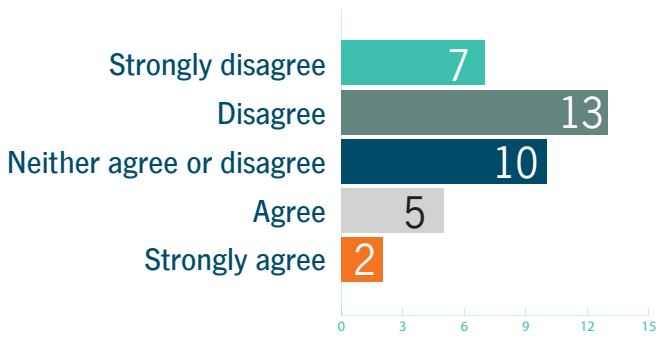

> "Not able to see at training due to the poor lights."

> "The room can only seat around 80 people. The cricket club has over 200 members and is growing rapidly"

> "The clubrooms and playgroup area and carpark are still the same as when I was a child, we can't grow if we don't have bigger better facilities"

> "[We need] toilets with baby change tables"
