

Gage Park Playground Upgrade

Community feedback

Gage Park is a well-used local park in North Coogee. Funding has been allocated to upgrade the park with new playground equipment designed for older children. The City is planning to install new playground equipment designed for older children and asked the community to help choose the preferred option and location.

Who we heard from

We received feedback from 22 community members, with most living locally and regularly using the park.

19 respondents were from North Coogee

More than half visit Gage Park daily.

What you told us

Preferred equipment

Playground Design C – Orb Spinner.

Chosen by almost

70% of respondents.

Preferred location

Location 2 – North east of the playground, adjacent to the BBQ.

Chosen by more than

60% of respondents.

How we promoted the consultation

We received feedback from 22 community members, with most living locally and regularly using the park.
