

Share Your Say, Share the Freshness!

What would help you and your family stay healthy? Whether it's finding time to exercise, eating well, or looking after your mental wellbeing, we want to hear from you! We are developing a new Public Health Plan for 2026-31 and your input matters. The Plan will guide how the City supports things like:

- ✓ Mental health and wellbeing
- ✓ Healthy lifestyles and physical activity
- ✓ Access to services and support.

Tell us what's working, what's not, and what could be better. Your feedback will help shape how we deliver programs and services in the future.

Have **your say** and go in the draw

We have some prize packs available for children and young people, AND one fresh food box for the grown ups when you complete our online survey!
